EXHIBITOR SPONSORSHIP

The 57th Annual Crime Prevention Conference brought to you by the Florida Crime Prevention Association
DAYTONA BEACH, FL | OCTOBER 12 -16, 2026

In 1969, a handful of Crime Prevention Practitioners established the Florida Crime Prevention Association, Inc. (FCPA), a 501(c)3, non-profit. The FCPA is comprised of law enforcement officers, crime prevention specialists, business loss prevention specialists and security experts who are dedicated to the ideals and promotion of crime prevention awareness throughout the State of Florida.

In the 57 years since then, the FCPA has provided specialized training and unique products to law enforcement professionals involved in crime prevention education and community outreach. Today, the association has grown to encompass all counties in Florida with representatives from every region as well as many other states throughout the U.S., Canada and beyond.

The FCPA Conference attracts crime prevention officers from all over the United States, Canada and beyond looking for tools and resources to help them with their day-to-day duties as a crime prevention specialist. Each year, we invite our corporate sponsors and vendors to our Crime Prevention Conference to display items they believe will assist our crime prevention specialists.

To achieve our goal of reducing crime, we need the support and participation of the business community. It is for that reason we invite your company to become a corporate sponsor of the 57th Crime Prevention Conference.

Our attendees are very excited to see and learn about the products you have and how they can share them with their communities. Sponsorships are a personal, non-intrusive way of conveying your message to these representatives.

Our sponsorship levels offer several options to assist with conference funding. If you do not see a level that fits your company's needs, we are happy to work with you. Your contributions assist with securing quality trainers and keeping the conference costs affordable for law enforcement agencies. Participating in our event gives you access to over 150 crime prevention professionals. These professionals represent the 350 plus law enforcement agencies in the State of Florida and its 21 million citizens.

We thank you in advance for your assistance and support to make this our most successful training conference. To learn more about Sponsorship of the 2026 Conference, visit our website at:

FCPA Scholarship Fund

The Florida Crime Prevention Association Scholarship Donation Program was established to assist agencies who do not have available funds to send officers practicing crime prevention to the Florida Crime Prevention Association Training Conference.

The Association recognizes the need to provide this resource to those agencies. Many city and county budgets have been thinned and valuable training opportunities have been put aside to cover basic operating costs. Officers practicing crime prevention establish and cultivate programs proven to reduce crime through the education and heightened awareness of our citizens. Their mission is to improve the quality of life in their communities by reducing and preventing crime. The Florida Crime Prevention Association Crime Prevention Conference offers unique and varied training opportunities that these officers utilize in their communities.

To support those agencies that cannot, for budgetary reasons, send their officers for this advanced training, we invite you to sponsor an officer. Your sponsorship will cover the hotel and registration cost for that officer.

Scholarship Package Includes:

- Cost of hotel and registration for one officer
- Listing your name or company name as a scholarship supporter
- Deadline September 15th 2026 – monies donated after September 15th will go towards scholarships awarded for the 2027 conference.

EXHIBITOR & SPONSORSHIP OPPORTUNITIES:

Coffee Break Sponsor \$1,000

There can only be one sponsor per break. Once payment is received, you will be offered a choice of remaining available breaks. First come first served.

- Your logo and company name will be presented as the sponsor in the conference app and on signage throughout the break area.

Vendor Raffle Item Sponsor In-kind

The "Vendor Raffle" has been a successful addition to our conference over the past four years. Our vendors have commented that they get more interaction with the attendees than any other conferences they attend because of this program. The program is simple. Each attendee must get logged at each vendor station as they make their visits. At the end of the conference, those attendees who are logged by all the vendors are eligible to win one of the designated vendor raffle items.

Our goal as an association is to provide an affordable training option to law enforcement agencies. During the previous years that we have added our "Vendor Raffle", the association has funded the cost of the prize.

This year we are reaching out to our vendors. A prize donation from your company will maximize your footprint with our attendees.

Our association respectfully requests the donated prize have an estimated value of at least \$250.

Be that vendor that provides the best vendor prize!!
